

General Information

|                 |                |
|-----------------|----------------|
| Material number | 20628701       |
| Type            | accessory      |
| Product segment | Fan            |
| Theme           | Fan/Ventilator |

Dimensions

|                           |      |
|---------------------------|------|
| Article Length (in mm/in) | 1800 |
| Net Weight (in kg)        | 2.45 |

Material & Colour

|                    |            |
|--------------------|------------|
| Enclosure Material | steel      |
| Enclosure Colour   | white matt |

Functionality

|             |                |
|-------------|----------------|
| Switch Type | without switch |
| Battery     | No             |

Technical Information

|               |                |
|---------------|----------------|
| Mains Voltage | 220-240V, 50Hz |
|---------------|----------------|

|                   |                |
|-------------------|----------------|
| Operation Voltage | 220-240V, 50Hz |
|-------------------|----------------|

Illuminant 1

|               |                     |
|---------------|---------------------|
| Illuminant 1  | Exclusive           |
| Lamp socket 1 | without lamp socket |
